Naalukettu

Naalukettu is a Malayalam novel written by M. T. Vasudevan Nair. Published in 1958, it was MT's first major novel.[1] The title attributes to Nālukettu, a traditional ancestral home (Taravad) of a Nair joint family. Like many other novels written by MT, Naalukettu is also set against the backdrop of the crumbling matrilineal order of Kerala in a newly independent India.

college

College of Engineering Vadakara (CEV) formerly known as
Co-operative Institute of Technology, Vadakara, is the first
engineering college under Co-operative Academy of
Professional Education (CAPE) established by Govt. of
Kerala in the year 1999. This was started with a broad
vision of assisting the Government to impart quality
education to the meritorious and economically backward
students in the State without much financial burden.
